

# Summer Safari

## 2013

This summer, Caldwell Elementary will launch our new Summer Learning Safari. As a part of that learning opportunity, the Caldwell Library will be open this summer in the month of June on Tuesday and Thursday from 9-12 am. In order to best serve all of our children on these two days we have divided the times by your child's last name. A parent must accompany children during library visits.

A-G- 9:00-10:00 am

H-N- 10:00-11:00 am

O-Z- 11:00-12:00 pm

During your child's visit to the library, he or she can check out books, work on the new summer wiki learning links to practice their English and Spanish on the library computers

<http://summerspanishsafari.wikispaces.com/home>  
or practice I station in both languages.

Attached are three Summer Fun calendars that have been prepared for your child. You will find spelling/vocabulary list that can be used for creative writing activities and book lists for selecting reading materials.

Activity Completed	Parent Signature
At least 10 books in English or Spanish read this summer and recorded on Summer Reading Log	
30 minutes read each day and recorded on Summer Reading Log.	
At least 15 activities per calendar month signed on calendar by parent	
Practice Vocabulary and math facts	

If your child completes the following activities and brings this page back signed by a parent or guardian, along with the calendars with activities signed, he or she will receive a special award at the beginning of our school year. Thank you for taking the time in the summer to enrich your child's learning.
